Dear

I am writing to ask you for your support of the Dacula High School Baseball Program. Our school's baseball program plays in one of the toughest regions in the highest classification in the state of Georgia at the 6-AAAAAAA level. We are currently in year 2 of re-vamping the baseball facility. We are currently raising money to help fund many improvements to the baseball facility including a gravel warning track around the entire field. We believe building a program starts from the ground up and want the entire facility to look top notch. However, the cost of the warning track and many more improvements without your help might be prohibitive due to our regular, year in, year out expenses. In Georgia, high school sports receive limited funding from the school district. Therefore, the burden of fundraising and developing a first-class program relies on each sport's ability to fundraise. Dacula High School and the baseball facility is one of the oldest schools in Gwinnett County and while improvements have been made throughout the years, Coach Bova and his staff feel like the facility itself has so much more potential. We want former, current, and future Falcons to take pride in what the facility looks like and always have a place to come back to.

The Gwinnett County area is saturated with many high school sports teams. All are vying for local business sponsorships. We are working hard to secure sponsorships, but realize to achieve our goals both on and off the field we will need your help! Your donation will be used for the sole purpose and benefit of advancing the Dacula High School Baseball program and facilities. All checks can be made payable to the Dacula Dugout Club. This letter and our thank you note indicating your exact donation are sufficient documentation of your donation, as all donations are tax deductible. Our tax ID number will be included in your thank you note.

If you would like to donate but you do not want to send a check, you can donate by scanning the QR code at the top! Your donation will go directly into our Dacula Baseball Booster Club Account! Please make sure you type your players name in!

Thank you in advance for your consideration and support. We have a talented group of student athletes capable of great things, and with your support, we will achieve our goals. If you have any questions or wish any further information, you may contact our head coach, Jake Bova at: jake.bova@gcpsk12.org.

GO FALCONS!!!

Sincerely,

Cut off and return with donation to Dacula Dugout Club; PO Box 31, Dacula, GA 30019
